Message From Our CEO

What began as a vision to elevate real estate standards in Dubai has grown into a legacy built on trust, integrity, innovation, and results.

For more than 20 years, we have witnessed the remarkable transformation of this city — and we have grown with it. Our journey has been defined by adaptability, forward thinking, and an unwavering commitment to our clients, partners, and people.

Behind every milestone is our dedicated team of professionals whose passion and perseverance continue to drive us forward. As we look to the future, we remain focused on raising the bar, embracing change, and creating lasting value in every service we deliver.

Here's to the next chapter of growth, collaboration, and success — together.

Real Estate Services and Expertise

We deliver bespoke real estate solutions designed to streamline every aspect of buying, selling, leasing, and investment. With focus on maximizing returns and providing a seamless experience, we cater to the needs of discerning clients worldwide.

Our services include, but are not limited to:

RESIDENTIAL

Our residential team represents sellers and buyers of residential properties across Dubai. We are highly experienced in offering properties catering to the specific needs of our clients based on their social, economic and financial requirements.

COMMERCIAL

Our experienced team helps businesses find the right commercial properties across Dubai, offering tailored solutions for offices, warehouses, and staff accommodation.

REAL ESTATE MARKETING

We provide developers with end-to-end marketing infrastructure to successfully launch, promote, and sell their developments.

ASSET MANAGEMENT

Our in-house dedicated team ensures meticulous management of Dubai's most prestigious and sophisticated properties.

FINANCE AND MORTGAGE

Through our exclusive partnerships with leading UAE financial institutions, we do simplify and elevate your home financing and ownership journey.

LAND SALES

We source prime land across the UAE, enabling the creation of high-value developments supported by an elite network of architects, contractors, and consultants.

LEGAL ADVISORY

We connect clients to seasoned legal experts who offers guidance on UAE investment laws, company formation, and Golden Visa acquisition.

INTERIOR DESIGNING

Our trusted network of highly-acclaimed and award-winning interior designing firms enable us to assist clients in providing turn-key solutions on residential properties.

Awards and Achievements

Our continuous efforts and dedication have been recognized by the leading developers of Dubai enabling us to win multiple prestigious awards by them.

Trusted Dubai real estate developers are known for their strong reputation, transparency, quality, and proven track record. At Property Network, we work closely with trusted developer partners to deliver reliable investment opportunities.

Inspired by Long Lasting Relationships Not Transactions

At Property Network, we believe real estate is about people, not just properties. With integrity, transparency, and professionalism at our core, our diverse team is dedicated to delivering exceptional service and long-term value in every client relationship.

GLOBAL VILLAGE

Explore 90+ cultures in one unforgettable destination.

Our Group

Success is built not only on expertise, but on the strength, vision, and dedication of our partners.

Creating a dynamic ecosystem of partnerships that drive growth, innovation, and long-term value.

Property Network is a multi-awarded real estate consultancy based in Dubai since 2005, specializing in the sales and marketing of new off-plan developments and ready properties across Dubai, Abu Dhabi and Ras Al Khaimah.

Hexa Properties provides world-class development management services to reputed developers and investors across UAE including the exclusive management of sales and marketing of new developments.

Zimaya Properties is a boutique property development venture which we have formed with the like-minded partners focused on high-end value-driven developments. Zimaya has swiftly delivered luxury homes with upcoming projects across prime communities in Dubai.

Relive Homes develops luxurious villas across Dubai, with completed projects in The Villa, Dubai Hills Estates, Sobha Hartland, and Al Furjan. Focused on creating homes that let owners relive their dreams, many new projects are underway.

Our Group Directors

Kamran Tabani

Kamran Tabani has been instrumental in the growth of Property Network right from its inception in 2005. With Masters Degree in Business and Marketing, Kamran has played a major role in laying out the strategic plans for Property Network and kept sheer focus to ensure that the entire group is determined to the cause of achieving it.

Furqan Tabani

Furqan Tabani, graduate of MSc. Information Systems Management, brings extensive experience across diverse asset classes and specializes in large-scale transactions with developers, funds, REITs, family offices, and leading business groups. A visionary and driven professional, he consistently strives for excellence.

Arsalan Tabani

Arsalan Tabani, has an extensive experience in financial modeling and investment analysis. A Qualified Chartered Accountant and has an industry background of more than 20 years. Arsalan handles the development arm of the group and is engaged in delivering exceptional projects across Dubai.
